

Flavor Burst® Multi-Flavor Shake Systems

Take a Shake Break!® Now you can serve 8 or more flavors from a single mix *with no additional blending!* Flavor Burst® frozen shake systems incorporate an innovative blending mechanism to inject concentrated flavorings throughout the finished product as it is dispensed from the freezer.

Enjoy sensational flavor selections like Chocolate Swirl, Strawberry, Black Cherry, Butter Pecan, Pina Colada, Tropical Orange, English Toffee and more. Operators may also combine flavors within the system for additional selections such as Banana Split, Chocolate Caramel, Caramel Apple, Cherry Cheesecake, Wildberry, Strawberry Banana and hundreds of other *tastefully twisted flavors!*

Choose from several equipment models to create your very own shake center, including the traditional FB 80S system for single barrel machines or the new FB 44SMX dual output system to flavor mix from two separate barrels.

Flavor Burst® Multi-Flavor Shake Systems

Take a Shake Break!

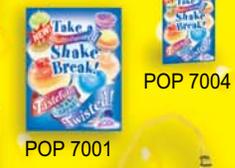

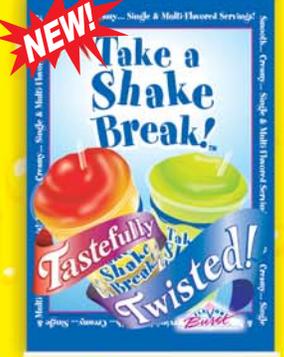

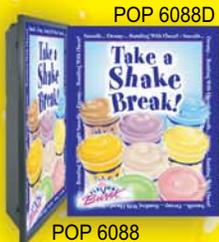

Flavor Burst® systems are easy to install and operate. Simply select the flavor choice using the electronic keypad to inject concentrated flavorings throughout the shake product as it is dispensed from the freezer. No additional blending is necessary. The flavor output is adjustable for both flow and taste. The operator can also make multiple selections from the keypad to produce hundreds of additional flavor combinations!

Each Flavor Burst® flavoring is packaged in a triple-layer container for long, stable shelf life that requires no refrigeration and yields up to 104 finished 16 oz. servings! New flavors are simple to insert and lock into place. Each system is built with easy-to-wipe clean, all stainless-steel cabinetry. With both clean-in-place and sanitize-in-place functions, cleaning requires only a few minutes a day.

Expand any menu with a variety of sensational flavors to attract both kids and adults alike using the smallest space possible -- *only 10" next to your shake freezer!*

Expand many popular freezer models with revolutionary Flavor Burst™ concepts!
